

Chisholm Medical Centre

Welcome to the Chisholm Medical Centre! Familiar faces, same location, and quality holistic healthcare. We are appointment based. If you can't find an appointment online, give us a call and speak to our friendly receptionist who may be able to get you an emergency appointment on the day or the next day.

About Us

The Chisholm Medical Centre took over operations from the National Health Co-op that operated the Chisholm clinic on the same premises. Our clinicians and staff, who served you under the NHC for a number of years, opted to continue serving you, joining hands with some new faces under new management. We strive to deliver quality holistic healthcare to you, your family, and the entire community of Chisholm, the whole of Tuggeranong, and surrounding regions. Our clinicians offer a wide range of services across General Practice. Some of our clinicians are experienced in skin cancer diagnosis and treatment as well as minor surgical procedures.

Announcements

- COVID-19 Vaccinations: We offer the Pfizer and AstraZeneca COVID-19 vaccines. Appointments can be made online, via the HotDoc App or by phone.
- Bulk Billing: Medicare Bulk billing for most eligible consultations for children under the age of 16, commonwealth concession card holders, and DVA card holders.
- Opening Hours: Open 6 days a week, after hours appointments available.
- AGPAL Accredited: Our clinic is AGPAL accredited.
